

ACADEMIC CALENDAR 2009 - 2010

2 0 0 9		
Meetings at IUCAA	Meetings Outside IUCAA	IUCAA-NCRA Graduate School
<p>August 10 Satellite Meeting 1: Indian Gravitational Wave Experimental Efforts Scope and Feasibility at IUCAA</p> <p>August 10 Satellite Meeting 2: Large Data Sets and Follow up Observations at IUCAA</p> <p>August 11 -14 First IUCAA Reunion Meeting: Gravitation and Astronomy Frontiers in Theory and Observations at IUCAA</p> <p>October 12 - 16 International Workshop on High Performance Computing in Observational Astronomy: Requirements and Challenges (Jointly by IUCAA, NCRA, and C-DAC) at IUCAA</p> <p>November 17 -18 Mini Workshop on European and Indian Approaches to Calculus at IUCAA</p>	<p>* September National Workshop on Astronomy and Astrophysics at Fatima College, Madurai</p> <p>Oct. 30 Workshop on Galaxy</p> <p>Nov. 5 Photometry at Mahatma Gandhi University, Kottayam</p> <p>* Nov. National Workshop on Advances in Astronomy and Astrophysics at Kashmir University, Srinagar</p> <p>* Nov. Workshop on Recent Developments in Astrophysics (Celebration of International Year of Astronomy 2009) at Tezpur University, Assam</p> <p>* Nov. Introductory School in Astronomy and Astrophysics at Karimganj College, Assam</p>	<p>August 3 IUCAA NCRA Graduate School First semester begins</p> <p>December 4 IUCAA NCRA Graduate School First semester ends</p> <p>December 29 Foundation Day</p>
2 0 1 0		
<p>* January Second Radio Astronomy Winter School (for College/University Students) (Jointly by IUCAA and NCRA) at IUCAA / NCRA</p> <p>February 14 - 17 Library Information Services in Astronomy (LISA VI) (Jointly with other Astronomy Institutes in India) at IUCAA</p> <p>March</p> <p>April</p> <p>April 12 School Students' Summer Programme May 21 at IUCAA</p> <p>May 10 Introductory Summer School on Astronomy June 11 and Astrophysics (for College/University Students) at IUCAA</p> <p>May 10 Vacation Students' Programme June 25 at IUCAA</p> <p>June</p> <p>July</p>	<p>January 12 - 13/ 19 20 Workshop on Astrophysics and Cosmology at Calcutta University, Kolkata</p> <p>March</p> <p>April 5 - 9 Advanced Workshop on Astronomy: Observations, Theory and Interpretations at IUCAA Reference Centre, North Bengal University, Siliguri</p>	<p>January 4 IUCAA NCRA Graduate School Second semester begins</p> <p>May 7 IUCAA NCRA Graduate School Second semester ends</p> <p>February 28 National Science Day</p>
