

Astrophysics session on Dec 3

TIMES NEWS NETWORK

Pune: Astrophysicist Padma Vibhushan Jayant Naralikal will share his views on Astrophysics at an interactive session organised by Nature Walk, as a part of its weekly activity, on December 3 at NMV Girls High School, behind S P College, off Tilak Road, from 6.30 pm to 8 pm.

Known internationally for his work in cosmology, especially in championing models alternative to the Big Bang model, Naralikal's research work has also comprised Mach's Principle, quantum cosmology and action-at-a-

distance physics.

He also served as the President of the Cosmology Commission of the International Astronomical Union from 1994 to 1997, and received several national and international awards and honorary doctorates. He is an associate of the Royal Astronomical Society of London, and a fellow of the three Indian National Science Academies, and the Third World Academy of Sciences.

Astronomy expert, Prakash Tupe, will interact with Naralikal on December 3. The session marks the 23rd year of the Katta series, an activity held every Friday.
